Note for the Director

Mac Baldrige responded favorably on 9 June to your earlier letter requesting that the pilot information sharing program with Commerce be made permanent. OGC and the Technology Transfer Assessment Center are working on a Memorandum of Understanding to bring this about. We will let you know when this agreement is reached with Commerce.

MEMORANDUM FOR: Director of Central Intelligence  
THROUGH : Deputy Director for Intelligence  
FROM : [REDACTED] 25X1  
Chief, Technology Transfer Assessment Center  
SUBJECT : Status of Sharing Information Agreement with  
the Department of Commerce [REDACTED] 25X1

The Technology Transfer Assessment Center and the Office of General Counsel are engaged in drafting a Memorandum of Understanding between the Central Intelligence Agency and the Department of Commerce to share information collected by Commerce under Section 12(c) of the 1979 Export Administration Act. When both TTAC and OGC are satisfied with this draft, we will contact Deputy Assistant Secretary Denysyk for further discussions on implementing this agreement. Given Secretary Baldrige's favorable response to you of 9 June 1982, we expect no problems in reaching an agreement that will give the Intelligence Community ongoing access to Commerce's export control information.
